“ Amelia, she was a sweet soul and ready to always help. I will never forget the time she stayed with me in San Antonio to help me with Jeremiah when I was going through the roughest time of my life. Amelia you will always be remembered in my family and never forgotten. I'm sure you're dancing away up in heaven, I hope you hear me when I say from the bottom of my heart, thank you for everything and I love you.

“ To Amelia's loves, I offer my condolences. She was a very sincere, loving woman. I enjoyed our interactions and her joyful spirit. Our last "run in" was at HEB. We did a quick catch up and she offered her phone#, to call her anytime.

I am glad to have known her and to have shared the time we did, when she was at the salon. Rest in Peace dear Amelia.

“ *My beautiful Mami! Your strength, determination and drive for justice will continue in all of us. Rest assured that your good works have not been unnoticed. I've heard from so many people that speak to the profound way you touched their lives. Whether it be by providing positive counsel or by providing physical assistance, you touched many hearts. Your love for always being present for those in need is now in full light Mami. What a marvelous example you set for us all. Be at peace knowing that your four pearls are going to be fine.
