“ *Tela, thank you for loving me as one of your own, like a daughter in your own special way. 🌸 Thank you for all the support and love you gave us! You were the best grandma to my kids! We couldn't have asked for a better babysitter! 😊 I remember how you watered our trees when we lived out of state. You didn't want for our trees to dry up. So I planted a tree in a forest in your honor! What better way to remember a strong, faithful and steadfast woman.*
