“ *My Sweet Tessie I still see your sweet smile, feel your kind, warm heart, your heart to love and be present for all your dear loved ones and friends.*

*Even in your suffering, you were more concerned about the well being of your loved ones. When I would speak with you, you always made sure that you would say, I am alright Glo, I am going to be ok. You did not want me to worry. You called me even to let me be present for your dear sister Denise who would take your death hard since you were roommates and shared your lives together for so many years.*

*I so love how you were at peace with dying and were ready to return back to Our Heavenly Father, back to Our Sweet Lord, Jesus Christ, The Holy Spirit. You were happy to see your dear beloved Mom and Dad and all our departed loved ones.*

*Tessie you had such acceptance, such peace, and was truly a marvel to look at. I only say, I thank God for your happy heart, your silly, playful ways, and your way of being like your dear Dad to not let things get to you. For the most part you took things with ease. Yes, there were times you would get annoyed, angry and you certainly would speak your mind but, for the most part, I always saw you to be a most loving, giving, kind, forgiving heart.*

*Loved your sense of humor, your style, your artistic and your many expressions that stays with me and bring endless smiles to my face*

*One expression was Susto!!!!*

*In English means, What A Fright!!!*

*This is what you would say when you heard someone speak about something unpleasant or not a good event that occurred.*

*Or when someone was complaining unnecessarily and you were*

*being funny. Like lighten up it is not all that bad.*

*O My Tessie, you were so darn Cuteeeee! Loved your heart to laugh easily and laugh things off and your heart of gold.*

*I thank God for you, that I got to enjoy many sweet, happy, funny, sad, and silly times with you.*

*Let us keep filling our world with Silly Love Songs that keep saying, I love you always and forever My Sweet Tessie Mae!!! You are unforgettable, so dear and one beautiful heart to always delight in.*
